TERMS & CONDITIONS:

- This document certifies the agreed splits between the participants for the work referenced above.
 - Each participant confirms that the information provided (legal name, PRO, IPI, publishing) is accurate.
 - Once locked, the split sheet becomes the canonical reference and cannot be modified.
 - The verification ID is unique and immutable. Anyone can verify this split sheet by entering the ID at wuse.works/split.
 - Royalties and ownership distribution will follow the percentages stated in this document.
 - Disputes shall be resolved between the participants. wuse only acts as the technical recording layer.
 - By signing, each participant accepts these terms and the data above as the formal split agreement.
- By accepting this split sheet, each participant agrees to the terms and percentages listed above.
